

Embark is shaking up the consulting industry with a radical belief: **Happy is good for business.**

We combine industry-leading experience with world-class hospitality to propel your business forward. Our team—Big 4 alumni and seasoned industry leaders—delivers both strategic insight and tactical execution.

Happy consultants make happy clients, and it shows: our Net Promoter Score (NPS) is over 70% higher than the industry average. With deep expertise across a broad range of business needs, we build right-sized teams that anticipate challenges and deliver meaningful outcomes.

Embark is your strategic finance and business transformation partner—helping companies scale smarter through top-tier talent, hands-on execution, and fanatical hospitality.

What we do:

High-caliber consulting. High-touch service.

We combine elite consulting experience with a human-first approach. Our consultants roll up their sleeves and deliver outcomes, build trust, and help bring change to life.

We help businesses:

- Prepare for audits and IPOs
- Optimize financial operations
- Modernize tech and data
- Scale with confidence

What sets us apart:

- **Fanatical hospitality:** We don't just provide great service—we show up with care, urgency, and a true sense of ownership.
- **Elite, engaged teams:** Big 4 alumni and industry leaders who actually enjoy the work—and it shows.
- **Efficient by design:** Agile teams, fast starts, and zero unnecessary complexity.
- **Hands-on execution:** Strategy is just the beginning. We help bring it to life.
- **Built for continuity:** Less turnover, less ramp-up. Our people stick around—and so do our results.
